

2016 Training Classes in Iowa & Michigan

EVERYTHING YOU NEED TO TOW, RIG, RECOVER & HAUL

Registration Fees: Level 2/3 \$445.00

Level 4/5 \$495.00

Level 6/7 \$595.00

Level 2/3: Students will learn recovery, moving, towing, uprighting and upsets with or without wheels. They will learn how much effort it takes to move a casualty using attachment techniques, how to incorporate predictability, efficiency and how to gain confidence using the correct vocabulary.

Level 4/5: Students will now gain the information required to successfully move vehicles from soft surfaces such as muddy ditches and embankments with grades. We introduce winching scenarios, proper use of snatch blocks and compound lay-ups. Students will be taught how to deal with situations that come up at a recovery scene.

Level 6/7: The career operator moves on to the next platform where the moving or up-righting of exotic, unusual, or loaded recoveries including end rolls are learned both in theory and in hands on training. You will be exposed to the newest and most efficient techniques taught today.
