

Container Transport Accessories

HAULING CONTAINERS? WE'VE GOT YOU COVERED!

Container Lifting Hooks

Use what the pros use to lift sea containers. These Container Hooks were developed to be used on the corner eyes of a sea container during a direct lift. They are available in left and right versions for using as a sling or a 90 degree version for direct lifting. These are designed for lifting purposes only.

Part #	Description	Unit	WLL
G8-179-45LT	Left 45°	EA	28,000 Lbs.
G8-179-45RH	Right 45°	EA	28,000 Lbs.
G8-179-STR	Straight	EA	28,000 Lbs.

Container Skates with Plug

Container Skates make moving heavy containers a snap. These skates are offered in two different sizes for your convenience. Please note that the rope handle is for handling only and not designed to be used as an attachment or pulling point.
