# CONTROL ARM SKATE EXTENSIONS

Finally! Control Arm Skates that can be used on high clearance vehicles. These Control Arm Skate adapters are designed to be used with the original 6" Control Arm Skate and work as an extension for larger vehicles like trucks and SUV's. Manufactured from the same material as the original Container Skates, these adapters are built to last!

Part# 48-6E

Part# 48-6U

Skate Extension Dimensions (Either Style): 11 3/4" x 5 1/2" x 5 1/2"

Part# 48-CAS6  
6" Control Arm Skate

Control Arm Skates make loading vehicles with missing wheels, frozen bearings, and broken ball joints, control arms or axles a snap. Both ends have a radius for easy loading and unloading without having to remove and turn the skate. Works great on trailers too!

*Please Note: Rope handle is for handling only and is not designed to be used as an attachment or pulling point.*
