

# B/A PRODUCTS CO.®

**INTRODUCING**

All The Tools You Need - Right Where You Need Them

The Mag-Lok® Interconnectable Tool System **saves both valuable space and weight!** Mag-Lok® is the first in the industry to offer this innovative concept of pairing industrial grade handles with interchangeable tool heads that are capable of standing up to the rigors of commercial use and can be **easily secured.**

The Mag-Lok® tool system not only saves you valuable space but also streamlines the storage of your equipment. Choose only the handle(s) that you need coupled with the job specific tool heads that you require!

Mag-Lok® provides the industry's first **lifetime guarantee** on all of its handles and tool heads.
