**SKOOKUM®** BLOCKS AND RIGGING  
Guaranteed Tough Since 1890

The future is here! The new Skookum brand lightweight Snatch Blocks are the culmination of over 2 years of research and development between Skookum and B/A Products. **Made in the USA**, this block is the first major redesign of the snatch block since they were patented way back in 1945! Skookum Snatch Blocks are competitively priced against other domestic blocks of the same load capacity at a fraction of the weight. High quality bronze bushings and latched swivel hooks come standard.
