

## New Heavy Duty Trash Containers from B/A!

Tired of your trash cans getting wrecked? Finally there is a virtually indestructible trash can that can withstand the many demands of the road!

These durable heavy duty trash cans are made from high density polyethylene (HDPE) and feature metal handles with grippers. The accompanying screw top lids make these cans airtight and perfect for storing supplies such as Super Sorbent. Available in both 3-1/2 gallon and 6 gallon sizes. Will easily fit into most popular trash can mounts.

- Heavy Duty construction holds up to the most demanding conditions
- Screw top lids create an airtight seal - great for storing sorbents and other over the road supplies
- Lightweight and easy to carry

- Available in 3-1/2 gallon and 6 gallon sizes. Fit into most popular trash can mounts

3-1/2 Gallon  
6 Gallon
