

## 18x18x36 Inch Diamond Tread Aluminum Underbody Truck Box With Barn Door

**Buyers Part Number:** 1705205

**Keep your tools safe from theft, weather, and grime. Heavy duty storage for your service body or flatbed truck.**

- Built tough with durable and corrosion-resistant .100 in. thick diamond tread aluminum.
- Contents stay safe behind a side-hinged barn style door with continuous aluminum hidden hinge with solid 1/4 in. pin.
- Protect against weather and theft with 3-point locking, die cast compression latch system.
- Can be mounted on either a flat surface or under-bed (under-bed installation requires mounting brackets, sold separately).
- The built-in rain gutter with bulb seal keeps dust and grime at bay.
- Easy access to contents with double swing out doors (right or left handle mount) and no center post to get in the way.
- Choose from multiple sizes for any application.
- Made in the USA.
