

## PREMIUM GRAIN COWHIDE DRIVER WITH PALM PATCH

Style No. 198

- Naturally water-repellant premium golden full grain cowhide provides long-lasting durability from wear & tear, while shielding the hand from punctures & abrasions
- Suede cowhide patches on palm reinforce high-wear areas to better withstand abrasions & to extend the longevity of the glove
- **Easy-On™** cuff with shirred elastic wrist facilitates quick on & off use
- Out-seam index finger provides the smooth, comfortable feel of a seamless interior & eliminates rub points that often accompany bunched material typically inside the glove
- Ergonomic keystone thumb, which includes an extra sewn-in piece of material, offers flexible, full-range of motion & helps to prevent hand fatigue
- Turned leather hem
- Size(s): M, L, XL

### GLOVE 101

#### COWHIDE

The most commonly used leather in work gloves. It is known for its strength & durability. This hide maintains its integrity & takes the shape of the wearer.

#### EASY-ON™ CUFF DESIGN

Designed to facilitate quick on & off use, while allowing a low profile for increased mobility in the wrist.

#### KEystone THUMB DESIGN

Highly flexible, the keystone thumb is the most ergonomic thumb design which is stitched separately into the palm area.
