SMARTER CAPTURE

PART NUMBER: SV-LED70WQ4

SV HARDWARE

SPLIT SCREEN LED MONITOR

70WQ4

The 70WQ4 is a rugged 7-inch LED color monitor that displays sharp high-resolution images for excellent picture quality. Capable of supporting up to 4 cameras simultaneously in multiple split screen modes, the 70WQ4 can quickly toggle these views with a convenient Camera Select button on the front panel. Parking distance grid lines help to guide drivers when maneuvering backwards, while an adjustable dimmer allows for night time viewing and operation.

FEATURES

- 4 camera inputs with automatic trigger
- Built-in speaker
- 10G impact rating
- Single, split, triple, quad and PiP display modes
