

-
- Technical drawing of a mechanical assembly, likely a valve or actuator, showing a side view and a cross-section. The side view shows a long cylindrical body with a handle on the right and a mounting bracket on the left. The handle has a circular end with a central hole. The mounting bracket has a circular hole. The cross-section shows the internal components, including a central shaft and a valve mechanism. Dimensions are provided: 3.875 for the width of the mounting bracket, 2.250 for the width of the handle, and Ø .500 for the diameter of the central shaft.
