

LIMITED LIFETIME WARRANTY

SafeAll Products offers a Limited Lifetime Warranty on the Striker Tow Light. As the manufacturer, the company warrants the tow light to be free from defects in material and workmanship for as long as you own the product. This warranty is non-transferable and is limited to manufacturing defects. Lost parts, misuse, abuse, neglect, physical damage and batteries are excluded.

The above warranty is contingent upon the proper use of the tow light and does not apply to any product on which the original identification marks have been removed or altered. This warranty covers only equipment and parts manufactured by SafeAll. All other components and accessories furnished with any SafeAll products are sold only with the express warranty, if any.

This warranty does not apply to any product that has not been paid for according to the terms under which the product has been invoiced. In addition, SafeAll will not honor any warranty claim from a customer whose account at SafeAll is not current according to SafeAll payment terms.

In the event the Striker Tow Light is found by SafeAll to be defective during the warranty period, buyer expressly agrees that its exclusive remedy—and SafeAll's sole responsibility—shall be the return and replacement or repair of the product, at SafeAll's discretion, in accordance with SafeAll's current return policy.

In no event shall SafeAll be liable for any reason to buyer for—and buyer hereby waives—special, indirect, incidental or consequential damages or any damage resulting from loss of use or profits, lost or duplicated time or expense whether such claim is made in contract, tort or otherwise.

SafeAll does not pay for freight charges nor for any incidental or consequential damages connected with removal of a product deemed to be defective nor with installation or replacement of said repaired product.

To make a claim under this warranty, contact SafeAll and provide a description of the product's defect(s). Request a Return Goods Authorization (RGA) number. After receipt of an RGA number, please return the product—freight prepaid—to SafeAll. If found to be defective, and if all return freight charges have been paid, or authorization to return "freight collect" is received, SafeAll will repair or replace the product—at our discretion—and return it to the buyer.

SafeAll reserves the right to make changes in its products without incurring any obligation to incorporate such improvements in any products previously sold or in service. The terms and conditions of this warranty cannot be altered without the written consent of SafeAll.
