EW2301

WORKLIGHTS

EW2300 SERIES

Rectangular LED

The EW2300 Series worklights offer the latest technology and the very brightest white light for your application. This LED model offers over 80,000 hours of maintenance free life expectancy coupled with extremely low amp draw. High intensity 2700 lumen light output and CE rating makes this LED worklight the ideal choice for a wide variety of applications. Features 12-24 VDC operation, a choice of flood or spot beams, aluminum housing and a 5-year warranty.
