

# WORKLIGHTS

## EW2409

Six 3-watt LEDs

The EW2409 worklight offers the latest technology and the very brightest white light for your application. This LED model offers over 80,000 hours of maintenance free life expectancy coupled with extremely low amp draw. High intensity 850 lumen light output and IP67 intrusion protection makes this LED worklight the ideal choice for a wide variety of applications. Features 12-24 VDC operation, flood beam, aluminum heatsink housing, and a polycarbonate lens.
