

GOJAK® SUV™

Introducing the newest member of the GoJAK® family, **GoJAK® SUV™ Model 7016.** Equipped with four super-heavy duty G.F. nylon casters (ANSI ICWM-2012 certified) and a unique steel roller design, GoJAK® SUV pushes the limits of what can be moved with an auto-positioning

dolly. Designed specifically to handle Light Duty Class 1 & 2 trucks and SUV's (up to 7,000 lbs.) in your shop with ease. As always, with the GoJAK® name, comes Zendex Tool's 30+ year commitment to uncompromising quality, durability and ease of use. Most importantly all Zendex Tool products are designed, tested,

and Manufactured in the USA for years of dependability. With GoJAK® SUV we have taken our customers input and designed a truly revolutionary product built specifically to accommodate today's larger vehicles. The GoJAK® Faster Caster System®, there is no better value.

All GoJAK® Models include an unprecedented 7 Year Limited Warranty

Lifts dual wheel assemblies up to 1,750 lbs.
