

#8044-NATO

MASTER TRAILER CLEANER SET

A complete set of tools for cleaning common military and civilian truck and trailer terminals.

The Truck and Trailer Connector Cleaner Master Set features seven terminal cleaning tools for the precise removal of corrosion from male and female pins, while maintaining proper pin dimensions. Pin applications include: 12-way NATO, 7-way round, 7-way spade, 6-way round, 4 & 5 pin harnesses, ABS connectors, grommet-type light connectors, bullet/butt connectors and more.

Also included in the set are industrial-grade, cotton Swab-eez® and a 2ml tube of DeoxIT® Cleaner for removing oxidation and enhancing electrical contact points. The set is packaged in a leather-type holster with a magnetic clasp and features custom-sized tool slots labeled with reorder part numbers.
