

JUMP
n Carry.

PREMIUM JUMP STARTERS

BUILT-IN CHARGER

The ultimate in convenience, it never gets lost. Features fully automatic charging, allowing the unit to be kept in an always ready state.

12 VOLT POWER

To power accessories, with automatic circuit protection to prevent overloads.

INDUSTRIAL GRADE CLAMPS

Penetrate corrosion on battery terminals for maximum power transfer to the vehicle.

SERVICE COUPON

Repair Service Coupon

Use it... abuse it. Heck, run it over with a semi-truck. No problem, we'll take care of the unit. It doesn't even have to be assembled. Simply return your JNC4000 or JNC660 (or all of its parts, properly and safely packaged), along with this coupon and your original sales receipt. We will either recondition the unit or replace it with a refurbished unit and return it, all for a fee of just \$85.00.

Complete the reverse side of this coupon and return it, along with your \$85.00 payment, your original sales receipt and your unit to Clore Automotive. It's that simple!

Our **Repair Service Coupon** enables a one-time product repair/refurbishment after the warranty period for a fixed fee.

HEAVY-DUTY CASE

Impervious to shop fluids, it is designed to withstand the rigors of everyday professional use.

BATTERY VOLT GAUGE

Provides accurate, detailed state of battery charge.

HEAVY-DUTY CABLES

Long, heavy-gauge cables remain flexible in extreme temperatures and enable ideal unit placement during jump starting.

CLORE PROFORMER BATTERY

Jump-N-Carry jump starters feature high performance, replaceable **Clore PROFORMER** batteries, specifically developed for vehicle jump starting applications.

Working in the vicinity of a battery is dangerous — always wear protective eye wear!
