## SLIP Plate® Penetrant Plus

- A 2-in-1 graphite based product with premium penetrating oil that breaks up corrosion and releases rusty mechanical joints and threads for proper operation
- Great for pre-coating maintenance parts for easier disassembly and to minimize potential corrosion
- Use on adjustment screws, nuts, bolts, hinges and pulleys

Sold by the Case | (6) 12 oz. Cans/Case  
Part# SP-35001G

## SLIP Plate® Chain & Cable

- This lubricant penetrates deep within cable threads, chain linkages and pins depositing long lasting graphite particles
- Graphite particles continue to lubricate even after the oil is gone
- Use regularly to prolong the life of the chain or cable and save money on maintenance costs

Sold by the Case | (6) 12 oz. Cans/Case  
Part# SP-35201G

# SLIP Plate®

## Family of Products

### SLIP Plate® Black Ice Dry Graphite Lubricant

- Exclusive formulation combining a proprietary solvent cleaner with a friction reducing mineral that first cleans the surface, and then deposits a layer of pure, lubricating graphite powder
- Works great on mechanical components requiring dry lubrication
- Common applications are bearings, firearms, locks, and machined threads

Sold by the Case | (12) 6 oz. Cans/Case  
Part# SP-36002

### SLIP Plate® Original Dry Film Graphite Lubricant

SLIP Plate® is formulated with a very high concentration of friction fighting graphite and a proprietary binder system to provide a long-lasting dry lubrication for the heaviest loads. When applied and dried, SLIP Plate® creates a dry anti-friction graphite coating that does not attract and trap dust, dirt, mud, or grit as compared with greases and oils. Naturally hydrophobic, it provides lasting protection from rain, snow and mud to help to prevent rust and corrosion. SLIP Plate® is excellent to reduce wear and extend the operating life of machinery.

- **SLIPPERY** - Fights friction to keep parts moving
- **WITHSTANDS HEAT & COLD** - Handles high and low temperatures with little change to performance
- **HYDROPHOBIC** - Repels water easily
- **DRY** - Unlike oils and greases, dust and debris does not stick to SLIP Plate®

Sold by the Case

Quarts | (6) Quarts/Case | Part# SP-33005  
Gallons | (4) Gallons/Case | Part# SP-33015  
5 Gallon | Sold as Each | Part# SP-33008  
Aerosol Cans | (12) 12 oz. Cans/Case | Part# SP-333203
