

Tork ShopMax Wet Wipes, Hand Cleaner Bucket

Article 192592

System

Color White

Tork Premium ShopMax Wet Wipes for hands are tough on grease, grime and dirt. This is a pre-moistened, cloth-like disposable wet wipe. A silicone dispenser opening and re-sealable lid keeps wipes from drying out, and provides portion controlled one wipe-at-a-time dispensing.

- Special Hygienic Micro Emulsion Formula makes it tough on dirt but gentle on skin
- Special formulation requires no rinse after use
- Professional quality for effective hand cleaning

Environmental info

Viscose

Viscose fibers are produced from cellulose pulp. Cellulose is dissolved in alkaline solution by a chemical reaction with carbon disulphide and then spun to fibers in an acid spinning bath. The fibers are washed, dried and cut to intended fiber length.

Tork Wet Wipes

Viscose
Polyester

Polyester

Polyester fiber is produced from terephthalic acid and ethylene glycol, which react through condensation to polyester resin. The molten resin is spun to fibers through spinnerets and cooled with air. The fibers are then cut to intended fiber length.

Packaging

Fulfillment of Packaging and Packaging Waste Directive (94/62/EC): Yes
