

# Installation Instructions

## 1501155 Window Screen for Ladder Rack (1501150)

**1.** Window Screen must be installed with the flanges facing the cab of the truck as shown in Figure A.

**2.** The Window Screen will work with the hardware already installed on the Ladder Rack but the bolts must be oriented as shown in Figure B. This orientation is necessary to ensure that the bolts can be installed without interfering with the truck cab.

**3.** Install Window Screen and hardware in the position shown in Figure C.

NOTE: If the ladder rack was previously installed it may need to be repositioned when mounting the window screen. The hardware may need to be loosened and the rack re-centered.

**⚠ WARNING**

This window screen is designed to be used with Buyers Products Ladder Rack part number 1501150 ONLY

### Warranty

Buyers Products Co. warrants all truck/trailer hardware manufactured or distributed by it, to be free from defects in material and workmanship for a period of one year from date of shipment. Parts must be properly installed and used under normal conditions. Any product which has been altered, including modification, misuse, accident or lack of maintenance will not be considered under warranty. Normal wear is excluded. The sole responsibility of Buyers Products Co. under this warranty is limited to repairing or replacing any part or parts which are returned, prepaid, and are found to be defective by Buyers Products Co. Authorization from Buyers Products Co. must be obtained before returning any part. No charges for transportation or labor performed on Buyers' products will be allowed under this warranty.
